This colorful 5 year old, straight Butler cow has been an phenomenal producer for us. We have Belle's 2017 daughter and her full sister in our herd, which gives us the opportunity to offer her now. Belle works well with blend as well as straight Butler genetics, is a good momma, a great milker and easy to be around. Whether you want to raise straight Butler cattle or add Butler horn genetics to your blend herd, Belle will be a great addition. She sells
